EDUCATION

Ph.D. Geography, University of Tennessee, Knoxville, May 2011

Dissertation title: *Spatial Variation in Organic Carbon and Stable Isotope Composition of Lake Sediments at Laguna Zoncho, Costa Rica.* (Advisors: S. Horn and D. Finkelstein)

M.S. Geography, University of Tennessee, Knoxville, August 2005

Thesis title: *The Environmental History of Laguna Yaguarú, Eastern Bolivia: Pollen and Stable Carbon Isotope Analysis.* (Advisors: S. Horn and C. Mora)

B.S. *Magna cum Laude*, Environmental Science, University of Denver, March 2003

Minors: Geography and Geology

Honors Thesis title: *Paleoenvironmental History from Grand Mesa, Colorado: A Multiple Proxy Record from Sediment Analysis.* (Advisor: D. Sullivan)

PROFESSIONAL EXPERIENCE

- 2014–present Assistant Professor, Environmental Science Program, Berry College
- 2013–2014 Adjunct Professor, Tokyo International University of America
- 2011–2014 Visiting Assistant Professor, Dept. of Env. & Earth Sciences, Willamette Univ.
- 2010–2011 Graduate Teaching Associate, Dept. of Geography, University of Tennessee
- 2009–2010 Graduate Teaching Assistant, Dept. of Earth & Planetary Sciences, Univ. of Tenn.
- 2008–2009 NSF Graduate Fellow, GK–12 Earth Project, University of Tennessee
- 2007–2008 Graduate Teaching Associate, Dept. of Geography, University of Tennessee
- 2006–2007 NSF Graduate Fellow, GK–12 Earth Project, University of Tennessee
- 2006 Head Graduate Teaching Assistant, Dept. of Geography, University of Tennessee
- 2005 Instructor and Mentor, Math and Science Regional Center, Univ. of Tennessee
- 2004–2005 Graduate Teaching Assistant, Dept. of Geography, University of Tennessee
- 2003–2004 Graduate Research Assistant, University of Tennessee
- 2001–2003 Undergraduate Research Assistant, Dept. of Geography, University of Denver

COURSES TAUGHT

Berry College

- EVS 104: Introduction to Environmental Science
- EVS 220: Geographic Information Systems
- EVS 405: Environmental Science Methods
- EVS 310: Biogeography
- EVS 480: Weather and Climate
- BCC 100: Berry Campus Connection (First Year Seminar)

Tokyo International University of America

- AMSTU 321: Sustainability in the US and Asia

Willamette University

- ENVR 105: Introduction to Environmental Science
- EARTH 112: Physical Geography
- EARTH 361: Quaternary Paleoenvironments
- ENVR 333: Global Climate Change
- EARTH 333: Geographic Information Systems
- ENVR 495/496: Environmental Science Senior Thesis

University of Tennessee

- GEOG 131 Introduction to Physical Geography I
- GEOG 132: Introduction to Physical Geography II

TEACHING RECOGNITION

2009	Citation for Outstanding Professional Promise, University of Tennessee
2008	Robert G. Long Outstanding Graduate Student Award, Department of Geography, University of Tennessee
2008	Outstanding Teaching Associate, Department of Geography, University of Tennessee
2006	Outstanding Teaching Assistant, Department of Geography, University of Tennessee

RESEARCH INTERESTS

- Quaternary climate change
- Multiple proxy paleoenvironmental reconstruction
- Stable isotope ratio geochemistry
- Biogeography
- Human-environment interactions
- Conservation biology

PROFESSIONAL ACTIVITIES

Grantsmanship

- 2019 Berry College School of Mathematical and Natural Science Development of Undergraduate Research Grant (with C. Mowry and N. Hamid). "Using Public Sighting Information to Investigate Coyote Use of Urban Habitats," \$1,000
- 2018 Research support from the Canaan Valley National Wildlife Refuge, WV, \$400
- 2018 Research support from Friends of the Canaan Valley NWR, \$1,200
- 2018 Berry College Summer Research Stipend, \$5,000
- 2017 Berry College Faculty Development Grant: "A Holocene Record of Environmental Change from Mirror Lake, Colorado," \$2,424
- 2017 Laura Maddox Smith Summer Research Institute for the Environmental Sciences Grant Program (Berry College): "Reconstructing environmental change using peatlands in West Virginia and Colorado," \$6,000
- 2017 Community Engagement Course Development Grant, Berry College, \$1,000
- 2009 Yates Dissertation Fellowship, University of Tennessee, \$15,000
- 2008 National Science Foundation, Doctoral Dissertation Research Improvement Grant (Geography and Regional Science Program): "Interpreting Prehistoric Agriculture from Isotope and Pollen Indicators in Neotropical Lake Sediments: Do Multiple Cores Enhance Spatial Resolution?," \$11,388
- 2008 Geological Society of America, Dissertation Grant Program: "Assessing Spatial Variation in Organic Carbon and Stable Isotopic Composition of Lake Sediments," \$2,130
- 2003 Thesis Support Grant, Honors Program, University of Denver, \$200
- 2002 W.M. Keck Summer Research Fellowship, University of Denver, \$3,000
- 2001 W.M. Keck Summer Research Fellowship, University of Denver, \$3,000
- 2001 Partners in Scholarship Grant, University of Denver: "Prehistoric Fire History of Grand Mesa, Colorado" (with K. Schlachter and D. Sullivan), \$2,000

Professional Development

- 2017 Academic Community Engagement Workshop, Berry College
- 2012 Technology Enhanced Learning Workshop, Willamette University
- 2010 Summer Grant Writing Institute, Office of Research, University of Tennessee
- 2006 Stable Isotope Ecology Course, SIRFER Lab, University of Utah

Professional Affiliations

- Association of American Geographers
 - Paleoenvironmental Change Specialty Group
 - Biogeography Specialty Group
- Geological Society of America
- American Geophysical Union

- National Association of Geoscience Teachers

PRESENTATIONS AT PROFESSIONAL MEETINGS

Taylor, Z.P., Lane, C.S., and Horn, S.P. 2019. “A spatially-explicit record of prehistoric maize agriculture from compound specific isotope analysis.” Poster. Annual meeting of the American Association of Geographers, Washington, D.C.

Crain, J.A.* and **Taylor, Z.P.** 2019. “Prehistoric fire dynamics in the sagebrush habitat of the endangered Gunnison Sage Grouse.” Poster. Annual meeting of the American Association of Geographers, Washington, D.C.

Albritton, M.J.*, **Z.P. Taylor**, and Schaney, M. 2019. “A 20,000-year record of effective moisture and fire from Canaan Valley, West Virginia.” Poster. Annual meeting of the American Association of Geographers, Washington, D.C.

Gaskin, M.G.* and **Taylor, Z.P.** 2019. “Using GIS to enhance sustainable coffee farming at Life Monteverde, Costa Rica.” Poster. Annual meeting of the American Association of Geographers, Washington, D.C.

Taylor, Z.P. 2018. “A 12,000-year record of environmental change from Mirror Lake, Colorado.” Annual meeting of the American Association of Geographers, New Orleans, Louisiana.

Crain, J.A.* and **Taylor, Z.P.** 2018. “A paleoenvironmental perspective on fire dynamics in the habitat of the endangered Gunnison Sage Grouse.” Poster. Annual meeting of the American Association of Geographers, New Orleans, Louisiana.

Albritton, M.J.*, **Z.P. Taylor**, and Schaney, M. 2018. “An 18,000 year record of environmental change from Canaan Valley, West Virginia.” Poster. Annual meeting of the American Association of Geographers, New Orleans, Louisiana.

Anderson, C.N.*, **Taylor, Z.P.**, and Lane, C.S. 2018. “A high-resolution fire history from Clear Pond, South Carolina.” Poster. Annual meeting of the American Association of Geographers, New Orleans, Louisiana.

Taylor, Z.P., Lane, C.S., and Horn, S.P. “Hydrogen isotope evidence of climatic control on prehistoric agricultural activities in southern Costa Rica.” 2017. Annual meeting of the American Association of Geographers, Boston, Massachusetts.

Albritton, M.J.* and **Taylor, Z.P.** “A 7,000 year record of fire dynamics from Meridian Lake, Colorado.” 2017. Poster. Annual meeting of the American Association of Geographers, Boston, Massachusetts.

Anderson, C.N.*, **Taylor, Z.P.**, and Lane, C.S. “Holocene vegetation and fire history from Clear Pond, South Carolina.” 2017. Poster. Annual meeting of the American Association of Geographers, Boston, Massachusetts.

- Riley, K.R.*, Allen, R.C.*, and **Taylor, Z.P.** “Late-Holocene paleofire records from three lakes in western Colorado.” 2017. Poster. Annual meeting of the American Association of Geographers, Boston, Massachusetts.
- Horn, S.P., Johnson, E.N., Sánchez, M.P., **Taylor, Z.P.**, and Kerr, M.T. “Stable Carbon Isotope Ratios in Costa Rican Lake Sediments as a Proxy for Forest Clearance and Crop Cultivation.” 2017. XI Congreso Centroamericano de Antropología, San José, Costa Rica.
- Horn, S.P., Maureen Sánchez, M., Lane, C.S., **Taylor, Z.P.**, Kerr, M.T., Johanson, E.N., and Cecil, J.A. “Late Holocene Fires in Costa Rica: Patterns and Drivers.” 2016. Annual meeting of the American Association of Geographers, San Francisco, California.
- Taylor, Z.P.** “Balancing teaching and research at a liberal arts college.” 2015. Annual meeting of the Geological Society of America, Baltimore, Maryland.
- Taylor, Z.P.**, Laird, T*, and Walsh, M. 2015. “Pre-settlement fire and vegetation history from Clear Lake, Oregon.” Poster. Annual meeting of the Association of American Geographers, Chicago, Illinois.
- Hash, M. *, **Taylor, Z.P.**, Laudon, K., and Lindh, B. 2013. “Trapping and collaring of the gray wolf (*Canis lupis*) in NW Montana: An analysis of trends to improve efficiency.” Poster. Annual meeting of The Oregon Academy of Science, Salem, Oregon.
- Laird, T. *, **Taylor, Z.P.**, and Walsh, M. 2013. “A pre-colonial record of fire and vegetation history in the mid-Willamette Valley from Clear Lake, Oregon.” Poster. Annual meeting of The Oregon Academy of Science, Salem, Oregon.
- Horn, S.P., Burgess, J.N., and **Taylor, Z.P.** 2012. “Within-basin variation in modern pollen assemblages in two neotropical lakes.” Annual meeting of the AASP – The Palynological Society, Lexington, Kentucky.
- Horn, S.P., **Taylor, Z.P.**, Sánchez Pereira, M., Cozadd, D., Anchukaitis, K.J., and Orvis, K.H. 2011. “Chiriquí Period Agriculture and Agricultural Decline at Laguna Vueltas, Costa Rica.” Developing International Geoarchaeology Conference, Knoxville, Tennessee.
- Taylor, Z.P.**, Horn, S.P., and Finkelstein, D.B. 2011. “Assessing the Impacts of Late-Holocene Droughts on Prehistoric Agriculture in Southwestern Costa Rica.” Annual meeting of the Association of American Geographers, Seattle, Washington.
- Horn, S.P., Valente, M.J., Underwood, C.A., and **Taylor, Z.P.** 2010. “Using macroscopic soil charcoal to introduce middle school students and teachers to proxy analysis of geological archives.” Poster. Annual meeting of the Geological Society of America, Denver, Colorado.

OTHER PRESENTATIONS

- 2018 “Climate Change and the Collapse of Past Civilizations.” Science pub presentation sponsored by the Berry College Society of Physics Students, Rome, Georgia.
- 2017 “Climate Change and Prehistoric Agricultural Decline in Costa Rica.” Department of Department of History and Geography Seminar. Missouri Western State University, Saint Joseph, Missouri.
- 2015 “Balancing Teaching and Research at a Liberal Arts College.” Department of Geography Seminar, University of Tennessee, Knoxville, Tennessee.
- 2012 “Lake sediments as indicators of prehistoric agriculture in southwestern Costa Rica.” Department of Environmental and Earth Sciences Seminar. Willamette University, Salem, Oregon.
- 2009 “Lake Sediments: Windows to the Past.” Presentation to a workshop designed to expose 6–12 grade science teachers to research and help them integrate research into their classrooms. University of Tennessee, Knoxville, Tennessee.

- 2003 “A Late Quaternary Paleoenvironmental History of Grand Mesa, Colorado, from Sediment Analysis.” Graduate Student Colloquium. Department of Geography, University of Denver, Denver, Colorado (with K. Schlachter).
- 2002 “Physical Geography and Biological Diversity in Ecuador.” Presentation to 9th and 12th grade biology classes. Palmer High School, Colorado Springs, Colorado.
- 2001 “Glaciers, Rainforests, and the Galapagos: A Quick Trip through Ecuador.” Presentation to 4th grade class at Fremont Elementary School, Colorado Springs, Colorado.
- 2001 “Prehistoric Fire History of Grand Mesa.” Symposium 2001: A Conference of Undergraduate Research, University of Denver, Denver, Colorado (with K. Schlachter and D. Sullivan).

UNDERGRADUATE RESEARCH ADVISING

Honors Theses Advising

- Albritton, M.J. “A 20,000-year record of effective moisture and fire from Canaan Valley, West Virginia.” 2019. (Primary thesis advisor)
- Moss, J.P. “Survey of rare plants within a calcareous flatwoods community and analysis of plant-environmental relationships.” 2019. (Thesis committee member)

Student Grants

- 2019 Baker, Elena. Synovus Scholarship, \$2,000.
- 2019 Harris, Alexandria. Richards Scholar Grant, \$1,000.
- 2019 Gaskin, Mary Grace. Student Research Development Fund, \$500.
- 2018 Crain, Jared. Student Research Development Fund, \$500.
- 2018 Albritton, Meghan. Student Research Development Fund, \$500.
- 2017 Crain, Jared. Student Research Development Fund, \$500.
- 2017 Crain, Jared. Richards Undergraduate Research Support Grant, \$1,347.
- 2016 Riley, Karli. Student Research Development Fund, \$500.
- 2016 Allen, Rhett. Student Research Development Fund, \$500.
- 2016 Anderson, Chelsea. Student Research Development Fund, \$500.
- 2016 Albritton, Meghan. Synovus Scholarship, \$2,000.
- 2015 Anderson, Chelsea. Richards Undergraduate Research Support Grant, \$1,161.

Student Research Presentations

- Crain, J.A. “Prehistoric fire dynamics in the sagebrush habitat of the endangered Gunnison Sage Grouse.” 2019. Poster presented at the Berry College Symposium on Student Scholarship.

- Albritton, M.J. “A 20,000-year record of effective moisture and fire from Canaan Valley, West Virginia.” 2019. Poster presented at the Berry College Symposium on Student Scholarship.
- Gaskin, M.G.* and **Taylor, Z.P.** “Using GIS to enhance sustainable coffee farming at Life Monteverde, Costa Rica.” 2019. Poster presented at the Berry College Symposium on Student Scholarship.
- Russell, J. and Whitney, S. 2019. “Using public sighting data to investigate coyote use of urban habitats.” (Co-advised with C. Mowry and N. Hamid). Poster presented at the Berry College Symposium on Student Scholarship.
- Fowler, A. 2018. “GIS Mapping of Tick Species and Associated Pathogens on Berry College Campus.” (Co-advised with D. Rhodes) Poster presented at the Berry College Symposium on Student Scholarship.
- Albritton, M.J. 2017. “A 7,000-year record of fire dynamics from Meridian Lake, Colorado.” Poster presented at the Berry College Symposium on Student Scholarship.
- Anderson, C.N. 2017. “Holocene vegetation and fire history from Clear Pond, South Carolina.” Poster presented at the Berry College Symposium on Student Scholarship.
- Riley, K.R., and Allen, R.C. 2017. “Late-Holocene paleofire records from three lakes in western Colorado.” Poster presented at the Berry College Symposium on Student Scholarship.
- Anderson, C.N. 2016. “Fire Dynamics and Climate in Clear Pond, South Carolina.” Poster presented at the Berry College Symposium on Student Scholarship.
- Marchese, L. 2016. “Identifying and Quantifying Range Disjunctions at Multiple Taxonomic Levels of Mammals in the Western Hemisphere.” Poster presented at the Berry College Symposium on Student Scholarship.
- Riley, K.R. and Allen, R.C. 2016. “Reconstruction of Fire Behavior through Macroscopic Charcoal Analysis and Sediment Geochemistry”. Poster presented at the Berry College Symposium on Student Scholarship.
- Selby, H. 2015. “A GIS Analysis of the Effects of Parks in Rome, Georgia, on Surrounding Home Values.” Poster presented at the Berry College Symposium on Student Scholarship.

SERVICE

Discipline

- 2017–present Director, Paleoenvironmental Change Specialty Group of the American Association of Geographers.
- 2018 Manuscript Reviewer, *Natural Science Education*.
- 2018 Manuscript Reviewer, *Journal of Quaternary Science*.
- 2017–2019 Judge, Graduate Student Presentation Competition, Paleoenvironmental Change Specialty Group of the American Association of Geographers.
- 2017 Manuscript Reviewer, *Palaeogeography, Palaeoclimatology, Palaeoecology*.

- 2016 Participant, Continental Scientific Drilling Science Planning Workshop, Arlington, Virginia.
- 2013 Manuscript Reviewer, *The Holocene*.
- 2013 Proposal Reviewer, Natural Environment Research Council.
- 2012 Proposal Reviewer, National Geographic Society.
- 2012 Proposal Reviewer, Association of American Geographers Biogeography Specialty Group, Student Research Grant Competition.
- 2009 Panel Organizer (with T. Porter), “How to Perform Interdisciplinary Paleoenvironmental Research?” at the annual meeting of the Association of American Geographers.
- 2008–2010 Graduate Student Representative, Paleoenvironmental Change Specialty Group, Association of American Geographers.

College

- 2019–present Member, Council for Student Scholarship
- 2019–present Member, Information Technology Committee
- 2018–present Chair, School of Mathematical and Natural Science Research Committee
- 2018–present Member, Academic Council
- 2017–2019 Member, Academic Community Engagement Faculty Advisory Committee
- 2017–2018 Member, Enrollment Management Committee
- 2016–2018 Member, School of Mathematical and Natural Science Research Committee
- 2016–2018 Member, Endowed Speaker Committee
- 2015–2017 Member, Center for Teaching Excellence Committee
- 2014–2017 Member, Environmental Science Committee
- 2013 Organizer, Environmental and Earth Sciences Research Symposia Series. (Willamette University).

OUTREACH ACTIVITIES

- 2015–2019 Served as a judge at the Area Independent Science Fair held at the Berry Elementary School
- 2019 Instructor, Rome Federated Garden Clubs Environmental School. Taught classes on resource use, air quality, water resources, and sustainability.
- 2016 Panelist, Bonner Series Panel: “Trash Talk,” Berry College.
- 2014 Led a field trip to the Marshall Forest Reserve for middle school students from the Rome Montessori School.

- 2008–2009, 2006–2007 NSF Graduate Fellow, GK–12 Earth Project, University of Tennessee
Developed and conducted labs and other activities to improve earth science education at rural, economically disadvantaged middle schools, and involved a schoolteacher in field and laboratory research to improve his understanding of science.
- 2009 Guide for Earth Science Day. Escorted student groups on lab tour for outreach activity in the Department of Earth and Planetary Sciences. University of Tennessee, Knoxville, Tennessee.
- 2006–2007 Judge and event coordinator for the Tennessee State Science Olympiad. Helped run competitive events relating to climate and geography, and judge answers. In 2007, I co-created the “Road Scholar” map interpretation activity.
- 2006 Instructor for Earth Science Day. Presented talk on remote sensing to middle school students visiting the Department of Earth and Planetary Sciences. University of Tennessee, Knoxville, Tennessee.
- 2006 Instructor for Math and Science Regional Center. Developed and taught a daylong orienteering and GPS workshop for high school students. The field component included an orienteering course and a geocaching activity. University of Tennessee, Knoxville, Tennessee.
- 2005 Instructor for Earth Science Day. Presented talk on remote sensing to middle school students visiting the Department of Earth and Planetary Sciences. University of Tennessee, Knoxville, Tennessee.
